Paravent

Screen

UN PARAVENT LUMINEUX

La mise en lumière permet au paravent d'être sublimé, offrant le luxe d'obtenir différentes ambiances.

A LUMINOUS SCREEN

The Dacryl screen is enhanced through its natural and elegant lighting.

Paravent inclusion Ginko REF. F - 022

Paravent inclusion Mikado REF. D - 001

UN PARAVENT FACILE À DÉPLACER

Monté sur des roulettes, ce paravent lumineux est facile à déplacer et permet ainsi de séparer et redistribuer les espaces.

AN EASILY MOVABLE SCREEN

With its castors this luminous screen can be easily moved and will help you manage and separate your space.

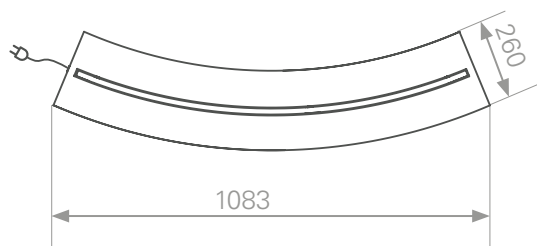

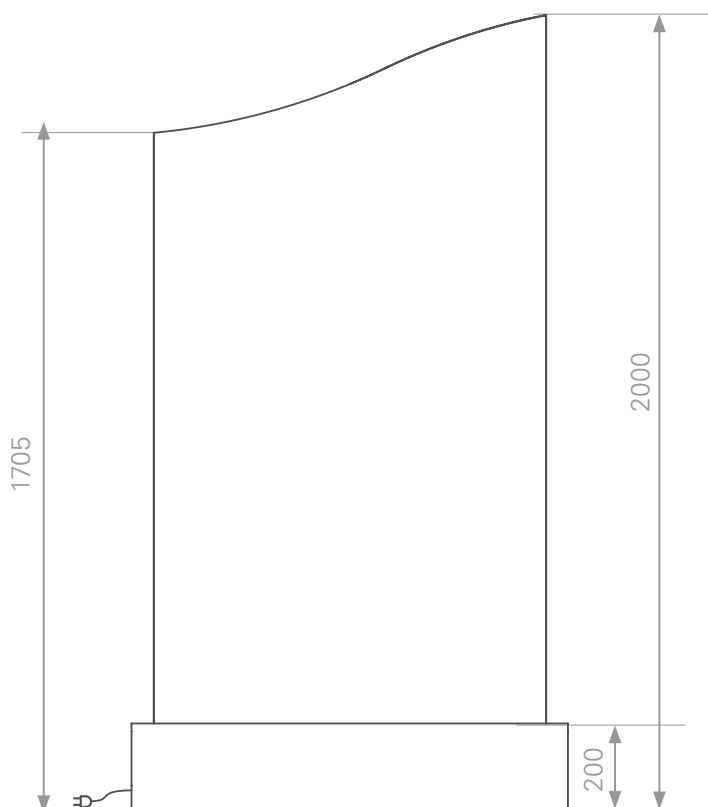

Panneaux Dacryl cintré (cinq modèles disponibles), installé sur un socle en bois (deux finitions au choix). Mis en lumière par un éclairage Led. Deux dimensions au choix.

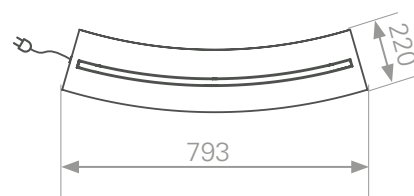

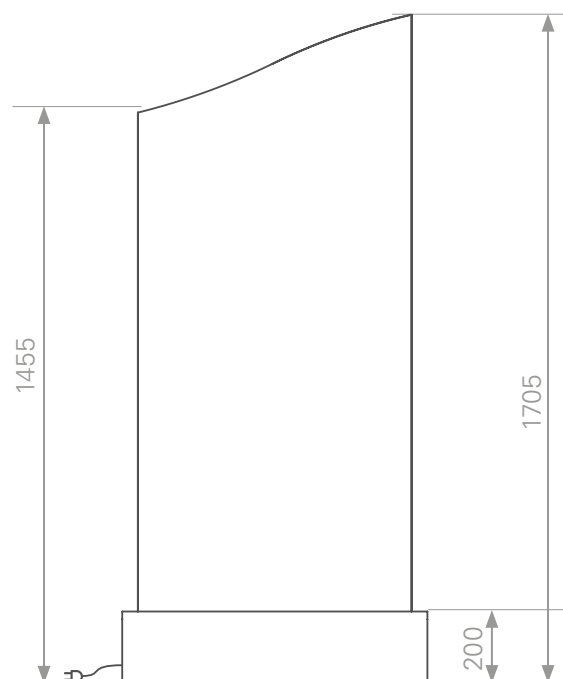

Curved Dacryl panels (five references available), installed on a wooden base (two finishes of your choice). Illuminated by LED lighting. Two sizes to choose from.
